

Medicines and Allied Substances Control (General) (Amendment)  
Regulations, 2012 (No. 26)

IT is hereby notified that the Minister of Health and Child Welfare has, in terms of section 74, and after consultation with the Authority in terms of section 38, of the Medicines and Allied Substances Control Act [Chapter 15:03], made the following regulations:—

1. These regulations may be cited as the Medicines and Allied Substances Control (General) (Amendment) Regulations, 2012 (No. 26).

2. The First Schedule to the Medicines and Allied Substances Control (General) Regulations, 1991, published in Statutory Instrument 150 of 1991, is repealed and the following is substituted—

“FIRST SCHEDULE (Sections 2, 16 and 100A)

In this Schedule—

“finished product” in relation to a medicine which is wholly manufactured outside Zimbabwe and is imported into Zimbabwe ready for sale without having to be relabelled or repackaged;

“line extension of a medicine” means any additional strength or pharmaceutical forms excluding novel dosage forms or delivery systems;

“orphan medicine” means a medicine which is used in low volumes and is for the treatment of conditions of low morbidity as determined from time to time by the Authority.
